

# 2025-2026 Household Income Verification

VGS offers award-winning efficiency programs designed to help our customers use less energy, save money and help the environment. Income-eligible customers may receive additional funding or other offers to support efficiency improvements.

## Participant Information

Homeowner Name	Telephone	Email	
Project Address	City	State	Zip Code

## Annual Household Income

Income is defined as the total annual gross income of all family and non-family members 18+ years old living within the household. All sources of income must be counted from all persons in the household based on anticipated income expected within the next 12 months. Possible types of income include but are not limited to: wages, salary, tips, bonuses or commissions payments, public assistance, social security/SSI, child support, regular gifts, unemployment, income earned on assets (savings, IRA, etc.) and some types of financial aid.

To calculate income, take the monthly amount that you and the people in your household are paid before taxes and multiple by 12. Include all wages, including regular salaries and overtime. If you are self-employed, use the previous 12 months of pretax income.

All residential customers are eligible for 0% financing on qualifying energy-efficient equipment and weatherization projects regardless of income level. Vermonters whose annual household income is below the 80% or 120% area median income (AMI) by county may be eligible for increased incentives or other offers from Vermont Gas Systems.

County	Income Level	1 Person	2 People	3 People	4 People	5 People	6 People	7 People	8+ People
Chittenden & Franklin	80% AMI	\$72,700	\$83,100	\$93,500	\$103,850	\$112,200	\$120,500	\$128,800	\$137,100
Chittenden & Franklin	120% AMI	\$109,050	\$124,600	\$140,200	\$155,750	\$168,200	\$180,700	\$193,150	\$205,600
Addison	80% AMI	\$65,050	\$74,350	\$83,650	\$92,900	\$100,350	\$107,800	\$115,200	\$122,650
Addison	120% AMI	\$97,500	\$111,450	\$125,400	\$139,300	\$150,450	\$161,600	\$172,750	\$183,900

## Applicant Statement

I hereby certify that I meet the income qualification at or below the following level (please check the corresponding box):

☐ 80% AMI (Low income) ☐ 120% AMI (Moderate income) ☐ Not income eligible

I also certify all of the information provided by me on this form is accurate and complete. I understand that this self-certification may be subject to further verification by Vermont Gas Systems or the Vermont Department of Public Service. If requested, I agree to provide Vermont Gas Systems or the Vermont Department of Public Service with the information or documentation required to verify my household annual income (e.g., pay stubs, bank statements, tax returns, etc.).

Head of household name (printed)	Head of household signature	Date
----------------------------------	-----------------------------	------

## HOW TO APPLY

Mail: VGS, c/o Energy Efficiency Team, 85 Swift Street, South Burlington, VT 05403  
E-mail: [efficiency@vermontgas.com](mailto:efficiency@vermontgas.com) • Online: [vgsvt.com/efficiency](http://vgsvt.com/efficiency)

## Weatherization Rebates:

Property Type	Percentage of Project Cost	Maximum Rebate
<b>Single Family</b>		
Market rate households	*50%	\$4,000
Moderate income qualified households	75%	\$7,000
Low income qualified households	90%	\$9,500
<b>Multi-Family</b>		
Market rate households	*50%	\$10,000
Moderate income qualified households	75%	\$10,000
Low income qualified households	90%	\$10,000
<b>Townhouse &amp; Condo</b>		
All Income levels	75%	\$1,000
<b>Manufactured Homes</b>		
Duct sealing, roof, & belly insulation	75%	\$4,875
Low-income qualified customers	100%	\$6,500

\*VGS rebates up to 75% when the tenant pays gas bill.

## Financing Your Project with Our Partner Green Mountain Credit Union:

Weatherization Financing	
<b>0% – 5.99%</b> <b>APR</b> (Annual Percentage Rate)	*0% APR Financing on weatherization projects (financing can also include qualifying natural gas equipment and health and safety work required to perform the project). *1-5 year terms, loan amounts up to \$20,000. *Longer term loans available, but APR and other terms may change. *5.99% APR Financing may be available for other non-weatherization project costs.
Energy Efficient Equipment Financing	
<b>0% – 5.99%</b> <b>APR</b> (Annual Percentage Rate)	*0% APR Financing for 60 months on up to \$15,000 on high-efficiency natural gas equipment such as furnaces, boilers, and water heaters. *5.99% APR Financing for 60 months on up to \$15,000 for projects that include heat pumps.

VGS has moved to a point-of-purchase “instant rebate” for efficient natural gas equipment. Instead of having to complete a form to request a rebate after the equipment is installed, these amounts have already been applied to the price when your contractor purchases from a local distributor. Be certain to verify with your contractor to confirm the rebate has been applied to qualifying equipment. Visit [www.vgsvt.com/efficiency](http://www.vgsvt.com/efficiency) for rebate amounts.

Visit [www.vgsvt.com/energy-audit](http://www.vgsvt.com/energy-audit) or call (802) 951-0321 or toll free at 1-800-639-2112 for the most up-to-date information and other efficiency offerings.

## Terms & Conditions:

- \* Households must complete income verification with Champlain Housing Trust to be eligible for low-income incentive levels. VGS can help facilitate this process.
- \* Customers are required to work with a BPI contractor and must achieve a minimum air leakage reduction of 10%. To find a BPI contractor please visit: <https://vgsvt.com/find-a-weatherization-contractor/>.
- \* Multi-family home incentives apply to 4 units or less. Custom incentives are available for larger properties.
- \* Customers can phase their improvements in over time if desired, however the total rebate cap is fixed for individual properties.
- \* Financing is subject to approval by Green Mountain Credit Union.
- \* Rebates and financing offers subject to change.
